In Spring 2022, children or 'CATkins' came together on one canvas to paint their hopes and ideas for the future of CAT – can you spot the storytelling tepee, wildflower meadow and 'chicken house' for rescue chickens?

Yng Ngwanwyn 2022 daeth plant, neu 'CATkins', at ei gilydd ar un cynfas i baentio eu gobeithion a'u synniadau am ddyfodol CyDA - a allwch chi weld y tipi dweud straeon, y ddôl blodau gwyllt a'r 'tŷ ieir' ar gyfer ieir a achubwyd?

Seasons Greetings
